

The Charismatic Charlie Wade Chapter 856 – 860

Chapter 856

Moreover, the whole person seemed very awkward, and he didn't know where to put both hands, so he could only keep rubbing with his fingertips.

Charlie understood right away that the two middle-aged and elderly people must have some unusual memories about "cooking and eating" or about "going home with him".

Paul also found out that things didn't seem right, but he was too embarrassed to say anything, so he could only say to Charlie, "Mr. Charlie, let's go to the box first."

With that, he said to Meiqing: "Mom, you've been on the plane for more than ten hours. It should be quite tired. If you and Uncle Willson want to talk, we can sit in the box and talk."

Only then did Meiqing suddenly came back to her senses. What she was thinking of just now was the past with Jacob, and even recalled the details of her first time with Jacob.

Nearly 50 years old, she blushed all of a sudden, and hurriedly followed her son's words and said: "Oh, that's right, you see we are all confused already, let's go sit in the box and talk!"

Jacob also hurriedly echoed: "Yes, yes, we let's go to sit in the box, and all blamed me. I just thought about chatting, but I forgot about it!"

Charlie shook his head helplessly, and even sighed in his heart. It seems that these two people are really fighting fire!

And it's the dry wood and raging fire that have been waiting for more than 20 years. If they meet together and give them a chance to burn, then it will definitely burn a raging fire...

.....

Charlie led the way, leading everyone to Shangri-La's dining department.

The manager of the catering department had been instructed long ago. As soon as he saw Charlie, he immediately greeted him and asked respectfully: "Hello sir, are you a member of Shangri-La?"

Charlie shook his head and said, "I am not a member, but I have asked a friend to book a box for me."

The other party hurriedly asked again: "Then what is your surname? What box number is reserved?"

Charlie said: "My surname is Wade, but I don't know what box number I booked. I booked the box through your President Issac."

The other party immediately bowed respectfully and said: "So you are Mr. Charlie. We have prepared the box for you. Please come with me."

Charlie smiled slightly, nodded and said, "Thank you."

The manager of the catering department took the four people to the box. Paul asked Charlie curiously: "Mr. Charlie, do you know Mr. Issac here?"

Charlie nodded and smiled and said, "I know, but I'm not familiar."

Paul subconsciously said, "Shangri-La seems to be the property of the Wade family, and Mr. Issac here is the spokesperson of the Wade family."

Charlie looked at Paul in surprise, he really didn't expect this American to touch this place so clearly.

So he smiled and asked, “Mr. Paul must have done a lot of homework for Aurous Hill, right?”

Paul nodded generously and said, “Before I was going to move the company to Aurous Hill, I had already begun to understand some of the situation in Aurous Hill. After all, the company was my father’s painstaking effort. I could not bring it to a place without preparation. In a strange environment.”

Charlie couldn’t help but admired: “Mr. Paul you are so meticulous and forward-looking. I believe you will be able to flourish in Aurous Hill in the future.”

Paul smiled slightly: “Mr. Charlie passed the award.”

After that, he suddenly remembered something. He looked at Charlie and asked curiously: “Mr. Charlie, your surname is Wade, and you know Mr. Issac from Shangri-La. Are you from the Wade family of Eastcliff?”

Chapter 857

Charlie really didn’t expect that Paul could guess his identity all at once.

However, he knew that Paul was making just a guess, and he couldn’t admit this kind of thing.

Charlie was about to deny it, and the Old Master on the side laughed and said: “Oh, Paul, you really think too much. My son-in-law is the son-in-law recruited from our family. If he is from the Wade family, I am afraid that our family will fly on the branch and become a phoenix.”

Although Jacob is usually not very motivated, and he doesn’t do any business. But he still knew the name of the Wade family in Eastcliff.

It can even be said that there are not many people in China who don’t know the Wade Family because the Wade Family is so famous.

Because of this, it was impossible for him to believe that Charlie belonged to the Wade family.

Because there are too many people surnamed Wade in this world, but there is only one Wade family.

He knew Charlie's life experience very clearly. When he was young, he entered the orphanage. When he was 18, he went out to work on the construction site. When he was in his early 20s, he was taken home by his father and became his own son-in-law.

How could such a person belong to the Wade family?

If Charlie would be Eastcliff Wade family, wouldn't he be the lost young master of the universe family?

As soon as Paul heard that Charlie was the son-in-law, he immediately realized that he had guessed wrong. After all, what kind of family was the Wade family? How could such a family let their young master be the son-in-law of others? Even the president of the United States cannot have such qualifications.

So he smiled and said to Charlie: "It seems that I have misunderstood. I'm sorry, but the main reason is that you are also named Wade, and this Shangri-La is the property of Wade family, so I think too much. I hope Mr. Charlie will forgive me a lot."

Charlie smiled slightly and said, "Mr. Paul, you don't have to be so polite."

While they were talking, the manager of the catering department took them to the door of the box, and respectfully said to the four people: "Mr. Charlie and three distinguished guests, please come inside!"

The four of them stepped into the box, and Charlie invited his father-in-law to sit in the main seat, and then said to his first love, Meiqing, "Aunt, sit with my father-in-law, after all, you have been so many years apart. You haven't met, there must be a lot of things you want to talk about."

Meiqing nodded, and said with a smile: "Yeah, then you can sit with Paul. I think your conversation is quite speculative."

Charlie hurriedly nodded and agreed, but kept reminding himself in his own heart that he should be a little more cautious when speaking in front of Paul, because this person does not seem simple.

After sitting down, Charlie handed the menu to the two elders and asked them to order some meals they liked.

Jacob hurriedly said: "Oh, Meiqing, I still remember which dishes you like to eat, or let me have some?"

Meiqing asked in surprise: "No, after all these years, do you remember what I like to eat?"

Jacob smiled and said, "Of course, I will definitely not forget this."

Having said that, Jacob picked up the menu and ordered several dishes with the waiter, all of which were local dishes from Aurous Hill.

Every time Jacob ordered a dish, Meiqing's expression became even more surprised. After Jacob ordered several times in one breath, she was already dumbfounded by surprise.

Because every dish he ordered was a Aurous Hill dish that she liked very much back then.

Chapter 858

Meiqing couldn't help sighing: "I didn't expect that you still remember these dishes. To be honest, some of them I don't even remember now."

After speaking, Meiqing said again: "Actually, the food in my hometown of Suzhou is also delicious, but I don't know why after coming to Aurous Hill and attending university, I prefer the local dishes of Aurous Hill."

Jacob smiled and said, "I still remember that you always said that you would make me some some dishes for me to try. It's a pity..."

Speaking of this, Jacob hurriedly asked: "By the way, Meiqing, we said just now about going to my house to cook and eat. How are you thinking about it? To be honest, I have been waiting for so many years, and I want to realize this. wish!"

When Meiqing heard this, her heart was even more moved, so she said, “I have no problem. I don’t know if Paul has time at night.”

After speaking, she looked at her son Paul and asked: “Son, do you have any other arrangements for the evening? If not, how about we go to your Uncle Willson’s house for dinner together? I can also see Uncle Willson’s daughter by the way.”

Paul simply nodded and smiled and said, “Then I really can’t ask for it.”

When Jacob heard this, he became excited!

Immediately he blurted out: “In this case, then we’ll make it so, Miqing, what dishes are you going to cook for the evening?”

Meiqing smiled and said, “Oh, now you let me say that I really can’t tell for a while...”

After that, she suddenly remembered something and smiled: “Why don’t we add a WeChat account for a while, I will tell you on WeChat when I think of it, and then I will trouble you to help me go to the vegetable market. Buy all the ingredients, oh yes, you will also send me your home address, and I will come with my son around 5:30 in the afternoon.”

Jacob was so excited that he took out his mobile phone, opened his WeChat scan function, and said, “Meiqing, I will scan your phone.”

The two have not been in contact for more than 20 years. Even if it is Jacob’s phone number, Meiqing asked for an old classmate to come temporarily, so the two have never added WeChat before.

In this era, WeChat has become more important than mobile phone numbers.

Your mobile phone number courier, food delivery person, and even telemarketing and telecom fraud scammers all know, but your WeChat must be for your good friend or someone you know.

Therefore, being able to add to WeChat is the closest contact method.

What's more, after adding WeChat, you can see the other party's circle of friends, you can see the other party's photos, the other party's videos, and every bit of the other party's life.

If one person has feelings for another person, then he will definitely want to take a look at all his circle of friends.

At this moment, Jacob and Meiqing had almost exactly the same thoughts.

Seeing that the two had already added WeChat, Paul on the side also took out his mobile phone and politely said to Charlie: "Mr. Charlie, why don't we add WeChat to each other and leave a contact information."

Charlie actually doesn't like adding strangers to WeChat, but since Paul took the initiative to say it, but he is not easy to refuse, so he turned on his mobile phone and scanned it and said: "ok, let me scan yours."

After the two added WeChat, Paul asked Charlie curiously: "Mr. Charlie I want to know what do you do?"

Charlie smiled slightly and said, "I'm not as high as I am. I just stay at home. My usual job is cleaning, washing clothes, buying vegetables, and cooking."

After listening to Paul, he was taken aback, but he didn't show any eyes or expressions that looked down upon Charlie. He smiled and said, "Mr. Charlie, this life is also very leisurely and elegant. To be honest, I am envious!"

Chapter 859

After all, Paul was born in a family of high-ranking intellectuals, so the overall quality is quite high, not like others, when he heard that Charlie is the son-in-law, he looked at him differently.

And Charlie didn't feel any embarrassment. After all, it was not a day or two for him to be have the bad feelings about being the live-in son-in-law.

At this time, Paul said to Charlie again: "By the way, Mr. Charlie, since you know Mr. Issac from Shangri-La, but I don't know if it is convenient for you to take some time to

recommend me? After all, I just moved the company back to Aurous Hill. We also need to actively expand Aurous Hill's local resources and contacts. If Mr. Charlie can help me with this, then I will definitely not treat you badly."

Charlie did not want Paul to know how close he was to Issac. After all, he almost guessed the relationship between himself and the Wade family just now. If he really got to know Issac through himself, he might have learned from it. Taste more details.

So he apologized and said to Paul: "Mr. Paul, to tell you, I don't know Mr. Issac, I just have a personal relationship with a friend of him, and I am ashamed of this, that person is I met when I helped others watch Feng Shui."

"Feng Shui?" Paul asked in surprise: "Mr. Charlie, are you a Feng Shui master?"

Charlie smiled lightly and said calmly: "I can't talk about what Feng Shui master is. It's nothing more than reading a few books and learning with the Old Master for a while. To put it bluntly, it's somewhat foolish."

Jacob on the side was afraid that Charlie would be embarrassed, and asked roundly, "By the way, Paul, what business does your company do? They have moved from the United States to Aurous Hill specifically, so the business should be very large, right?"

Paul smiled and said: "Uncle Willson, our company is actually a multinational law firm, mainly providing high-end legal support for some Fortune 500 companies."

Jacob asked in surprise, "Paul, are you a lawyer yourself?"

Paul nodded and said, "Yes, Uncle Willson, my dad and I both lawyers. To be clear, I have inherited his mantle."

Jacob said with emotion: "The requirements for being a lawyer in the United States seem to be very high, right? Generally speaking, it seems that you need a PhD?"

Paul smiled slightly and said: "Uncle Willson, you are right. There are two professions in the United States that have the highest requirements for academic qualifications. One is a doctor and the other is a lawyer. Generally speaking, a registered lawyer must be at least a law school Graduated with a master's degree."

Jacob nodded slightly and asked: “Then what degree you have?”

Paul humbly said: “I am Ph.D. from Yale Law School.”

Jacob nodded in amazement and said, “Yale University, that is a world-class university! It is really amazing to be admitted to a doctorate in this kind of university!”

Paul said seriously: “Uncle tells you that even if you get a doctoral degree, you only have the qualifications to be a regular lawyer. A truly good lawyer needs a long period of growth, some even 10 years. More than a year of working experience and practical experience in hundreds of successful cases are not enough, so for me, I am just an entry-level elementary school student.”

Speaking of this, Paul looked at his mother, Meiqing, and said: “Actually, I have just graduated. If I were to run our own law firm independently, my own experience would not be enough, so I’m just On the surface, I assumed the position of general manager, but it was my mother who really helped me behind the scenes, and even guided me to run the company. Without her help, the company would probably be destroyed in my hands.”

Chapter 860

Jacob looked at Meiqing in surprise, and blurted out, “Oh, Meiqing, are you very proficient in law and law firms?”

Paul smiled and said: “Uncle Willson, don’t underestimate my mother. In fact, my mother is also a PhD student at Yale Law School. She and my father met and married at Yale Law School. My dad founded the family’s law firm, and my mother has been there to assist him. Without my mother’s good help, my dad’s career would not be successful.

Immediately, Paul sighed with self-deprecation: “It’s just that my ability hasn’t grown up yet, so I have to bother my mother all the time.”

Meiqing smiled and said, “Son, in fact, you have done a very good job. Mom especially hopes that you can grow up as soon as possible, and then take over the company as a whole. In this case, Mom won’t have to work so hard anymore.”

With that, Meiqing couldn't help sighing: "Mom is now back to China and Aurous Hill. The biggest idea in my heart is not to start our family's business in Aurous Hill, but to enjoy the retirement life of a Chinese Lady in the city."

Afterwards, Meiqing looked at Jacob and sighed in her heart: I have been working hard in the United States for so many years, but I am actually very tired of my career.

In addition, I have never really felt the taste of love, so I now want to go back to China, let go of all that before, concentrate on being an Lady, and if given the opportunity, she even hopes to be able to be with Jacob, her first love. If you continue the frontier, this will make up for the regrets that she have had for many years.

She also knows that lawyers in the United States are actually a very popular profession, because many lawsuits in the United States are very high in compensation, often tens of millions, even hundreds of millions.

According to media reports, a few years ago, someone sued Marlboro, a famous American tobacco brand, for inducing smoking and causing death. The American court even awarded hundreds of millions in compensation.

There was also an Asian man who was beaten by American Airlines security on the plane. That incident had a very bad impact on the airline. In the end, the lawyer won tens of millions in compensation for the Asian man.

For lawyers, they also have to receive at least 30 to 50% of the compensation amount, and sometimes even higher.

Therefore, this is why the lawyers in the United States are very professional, and they are simply desperate to file a lawsuit, and even do everything they want.

Because the benefits behind this are really too great, it is possible to win a big lawsuit, and the direct compensation is divided into several million tens of millions, which is much easier than for ordinary people to make money.

Therefore, in the United States, the status of lawyers is also very high, and they are all upper-class people.

Especially some of the more famous super heroes in the United States, people like this can generally become billionaires, and even many stars, billionaires and important American guests.

Therefore, Jacob couldn't help but feel more inferior in his heart, because he guessed that the family of Meiqing must be very, very rich, even enough to make their mother and son become an upper class society in Aurous Hill.

In contrast, there is nothing he can tell...
