

# The Charismatic Charlie Wade Chapter 871 – 875

## Chapter 871

Charlie pretended to look for it all afternoon, and received a call, saying that Aunt was going home soon, so he drove home.

Claire also received a call from her father. Although she was reluctant, she drove home.

Elsa heard that there was a visitor at home, and said tonight that she did not want to go home for dinner.

Claire wanted her to accompany her, so she wouldn't be so embarrassed, but Elsa felt embarrassed herself, so she used the excuse to work overtime and eat out by herself.

Claire couldn't force it, so she said to Jacob, "Dad, after your classmates come later, try not to talk about me. I am not in a good mood today, and I don't want to talk too much."

Jacob also knows that if his daughter is willing to go home at this time and eat this meal with him and his old classmates, even if it is a lot of face, he can't force her.

So he said to Charlie: "Good son-in-law, you have to talk more at the dinner table later, and be more active."

"Okay." Charlie nodded awkwardly.

At this time, the door bell in the villa rang, Jacob couldn't wait to walk to the videophone, and immediately said to Charlie and Claire excitedly: "They are here, I'll open the door."

After speaking, he opened the door and went through the yard to open the door.

Claire looked at Jacob's positive look, couldn't help sighing, and asked Charlie: "You said my dad and that Aunt, is there something else?"

Charlie smiled and said, "They haven't seen each other for more than 20 years, what can I say? You must be thinking too much."

Claire said earnestly: "But when I see my dad like this, he seem to be a little too excited."

Charlie comforted: "You don't know about this. After all, they have had a history."

Claire hurriedly said: "But my dad has already married my mother, and he and my mother are not divorced! He is responsible for and must be loyal to the marriage!"

Charlie smiled and said: "It seems like Dad really had an extramarital affair. He just saw his first love today. How could it be so serious as you said."

Claire sighed and said, "I'm just worried, not that they already have something now."

At this time, Meiqing was outside the villa, marveling at this top-notch villa in Aurous Hill.

She has been away from China for a long time, so she doesn't understand many domestic real estate and other things, nor does she understand.

When Jacob told her the address, he only talked about Tomson Villa A05, and Meiqing didn't think too much.

But after she came to Tomson, she discovered that the villa in this place turned out to be so luxurious and atmospheric.

Seeing that Jacob lives in such a luxurious villa area now, it made her faintly surprised.

Because she used to ask her classmates to inquire about Jacob's recent developments over the years, but the feedback she got was that he was not very happy, which made her a little confused.

While waiting for Jacob to open the door outside the gate of A05, Paul was bored, so he checked the approximate selling price with his mobile phone, and said to his mother:

“The house here needs about 80 million to more than one billion. I read it online. It is said that Type A villas are the largest in size, and they probably sell for one to several tens of millions.”

## Chapter 872

Meiqing nodded and said, “More than one billion is not expensive, but I don’t quite understand. In your Uncle Willson’s situation, how can he afford the villa here?”

Paul smiled slightly and said, “This requires you to ask him personally.”

Meiqing also smiled and said, “Maybe it’s called hiding.”

Paul thought for a while, and said, “Well, let me be honest, I feel that Uncle Willson should be a good person, but not like a hidden person.”

Meiqing asked curiously: “What do you mean by that?”

Paul said, “It’s nothing, it just feels a little strange.”

Meiqing smiled and said: “Well, let’s not discuss this. I should be happy for the old classmate who can live in such an expensive villa. As for the others, we don’t have to ask about it.”

Paul nodded and said seriously: “Mom, you are right.”

At this time, Jacob had also opened the door of the villa. When he saw Meiqing and Paul, he immediately said excitedly: “Oh, Meiqing and Paul, you are here, please come in, please come in quickly.”

Meiqing smiled and said: “Oh, Jacob, your house is really beautiful. When I entered this community just now, it felt very high-end and atmosphere. This should be the best villa area in Aurous Hill?”

Jacob said modestly: “I don’t know if it’s the best. Actually, I just moved in just two days ago.”

Meiqing and Paul walked into the villa with Jacob.

Seeing the exquisite decoration in the yard, Meiqing couldn't help sighing: "It seems that the decoration of your villa is also a lot of thoughtful. It should be designed for you by a high-end designer?"

Jacob said: "In fact, this villa was not decorated by us. In fact, this villa was also given to my son-in-law by his friend."

Paul's expression was very surprised, and he blurted out: "Uncle Willson, this villa is worth more than one billion, right? Mr. Charlie's friend was willing to give him such an expensive villa?"

Jacob nodded and said, "Not only the villa was given away, but even the decoration was paid for by his friends. We just bought some furniture by ourselves and didn't spend much money."

Paul couldn't help asking: "Is this villa also earned by Mr. Charlie showing Feng Shui for others?"

Jacob happily said, "You really guessed right. This villa is his reward for showing others Feng Shui. Let me tell you, don't look at my son-in-law. It seems that there is nothing serious about doing things, and there is nothing to do. , But his ability to look at Feng Shui is truly unique in the upper class of Aurous Hill!"

Paul felt a little strange in his heart. Normally speaking, no matter how expensive Feng Shui masters are, there will be more than one or two hundred million price tags once, right?

Charlie showed others Feng Shui, and others gave him such a good villa, coupled with exquisite decoration, this should not only be for the villa, there must be other reasons.

It seems that Charlie is definitely not an ordinary person!

Thinking of this, Paul couldn't help but exclaimed: "Actually, I also believe in Feng Shui. But I have never met a very good and very capable Feng Shui master. Since Mr. Charlie is so capable, then my new company must Ask him to help me take a look at Feng Shui."

Jacob smiled and said: "Then you can go back and talk to him, Charlie is very interesting, I believe he will not refuse you!"

## Chapter 873

At this time, Jacob had taken Meiqing and her son Paul and walked in through the yard.

When they met, Claire was shocked by Meiqing. She heard Charlie say that Meiqing's temperament and appearance were very good, but she didn't expect it to be so good.

Being a woman, Claire even envied Meiqing a little.

After all, it is really amazing that a woman can maintain such a good level at the age of about 50.

Meiqing was also a little surprised when she saw Claire. She really didn't expect that the daughters of Jacob and Elaine was so beautiful and outstanding.

The Paul next to him, at the moment he saw Claire, couldn't help being a little stunned. He was also shocked by Claire's beauty and temperament.

Jacob introduced at this time: "Meiqing, let me introduce to you, this is my daughter Claire."

After that, he looked at Claire again, and said with a smile: "Claire, this is your father's old classmate, Meiqing, you may want her to be called Aunt."

Claire was shocked by Meiqing's beauty and temperament, and at the same time was even more worried about the relationship between her father and her.

Because compared with Meiqing, her mother really seems to be a thousand miles away. In addition, the relationship between the two of them is not stable. Now that there is such a strong competitor, it will become More fragile.

However, out of politeness, she shook hands with Meiqing very warmly, and said with some respect: "Hello, Aunt."

Meiqing smiled, and sighed sincerely: "Claire, you really look so beautiful!"

Claire said modestly: "Aunt, you really appreciate it. Compared to you, I am far behind."

"No, no," Meiqing said seriously: "When I was your age, I was not as beautiful as you."

After that, she looked at Charlie and said with a smile: "Charlie is really blessed to marry such a good wife."

Charlie smiled and nodded and said, "Aunt, you are right. This is my blessing."

Meiqing smiled and introduced her son again, and said: "Claire, this is my son Paul. He should be one year younger than you. It stands to reason that he should call you sister."

Paul on the side hurriedly stretched out his hand to Claire and said seriously: "Hello Miss Willson, I am Paul, my full name is Paul Smith, and I am glad to meet you."

Claire was hesitating whether to shake hands with Paul, and Meiqing hurriedly said: "Son, Claire is a married person. It is necessary to avoid suspicion when contacting the opposite sex."

Only then did Paul come back to his senses, hurriedly withdrew his hand, and smiled awkwardly: "I'm really embarrassed, it's because I was rash."

Claire nodded slightly and smiled as a response. Charlie couldn't help being surprised, Meiqing's tutoring was really extraordinary.

Jacob couldn't wait to say at this time: "Meiqing, I have already bought all the ingredients and seasonings related to those dishes, and are in the kitchen now. We'll go in and beat it, what do you think?"

Meiqing naturally nodded and smiled: "No problem, let's cook a meal for the children today."

After all, she said to Paul: "Son, you have a good chat with Mr. Wade and his wife. In the future, you have to develop as much as possible for a long time. Everyone knows and understands more. It is good for everyone's future development. Young people should Communicate more and make more friends to expand network."

Paul nodded hurriedly and said, “Mom, don’t worry, I know.”

Jacob took Meiqing to the kitchen and turned around to explain to Charlie, saying, “My son-in-law, there is my good tea on the coffee table. You can make a cup and give Paul a taste.”

## Chapter 874

Charlie nodded: “Okay Dad, I see.

Jacob hurriedly said, “Also, don’t forget the thing I reminded you!”

Charlie knew what he was talking about. He wanted to pay more attention. If the mother-in-law came back, she would not be allowed to enter the door and break Meiqing’s affairs in her own house.

So he smiled and said: “Dad, don’t worry, I will give you a military order for this matter, and there will be no mistakes.”

Jacob gave him a thumbs up and exclaimed, “Really my good son-in-law, I will not treat you badly in the future!”

After speaking, Jacob took Meiqing and plunged into the kitchen.

Claire asked Charlie curiously: “What did Dad tell you? The two of you are mysterious and seem to be engaged in a shameful conspiracy.”

Charlie said, he definitely can’t tell her that dad let him be here to guard? If Mom comes back, he will carry her away. If he can’t carry, he will knock her out and carry her away.

So he smiled and said, “It’s okay. Dad just asked me to entertain Paul. Don’t let him think that our family has no hospitality.”

“Really?” Claire was full of disbelief.

Charlie said seriously: "Of course it's true. Didn't you hear that he asked me to make tea for Paul just now?"

As he said, he hurriedly greeted Paul and said, "Come here to Paul, and I will give you a taste of the high-end tea my father-in-law bought from the WeChat tea seller."

Charlie feels that Paul is an American, even if he is half of Chinese ancestry, he probably doesn't know much about tea when he lives in the United States.

Therefore, the ordinary tea that his father-in-law bought by the deceit, should still be able to fool him.

Unexpectedly, Paul immediately smiled and said, "Oh, what I like most is drinking tea. Since Uncle Willson has good tea here, I must try it."

Charlie was taken aback for a while, and said with a smile: "Since you understand tea, then I think you might be disappointed."

With that, he took Paul to sit down on the sofa, ready to make tea.

Claire didn't really want to chat with her father's first lover's son, so she said to the two of them: "You two men talk, I don't like tea too much, and I have a headache. I'll go back to the house and rest for a while, sorry. I'm lost."

Paul hurriedly stood up and said politely: "Okay Miss Willson, take a rest first."

Claire went upstairs, and Charlie said to Paul: "Sit down, don't stand and talk."

After Paul sat down, he looked at the Hainan yellow rosewood sofa sitting under him, and said in surprise: "The material of this sofa is really good! At first glance, it is made of sea yellow material, and it is old. As soon as the pulp comes out, the texture of this wood is particularly beautiful, a good thing!"

Charlie was a bit stunned. He really didn't expect that although Paul was a mixed race, his mother was completely a Chinese.

He speaks good Chinese, knows tea, knows wood, and even knows patina. The other half of this guy's American ancestry is not fake, right?

And why is his hobby so similar to his old man?

Had it not been for his blond hair and a standard white skin color, he would even doubt if he had been left behind by the Old Master.

## Chapter 875

So Charlie looked at Paul and asked curiously: “Paul, did you often come to China before?”

Paul shook his head and said with a smile: “I just come here on business occasionally, but every time it doesn’t take more than a week.”

Charlie asked with a puzzled look: “Then how do you know so much about tea, Chinese furniture and wood?”

Paul smiled and said: “It’s mainly because my mother likes these. I only came into contact with these when I was a child.”

As he said, Paul said again: “Don’t look at me as if I look like a mixed race, and I seem to be more of a white race, but in fact I am a downright yellow person in my bones. I have been very influenced by my mother since I was a child. I like Chinese culture and Chinese food, Chinese habits and everything in China.”

“That’s it.”

Charlie nodded, boiled water in the sea of tea, and started to prepare tea, while letting people be fooled into buying tea on WeChat.

After brewing the tea, Charlie poured a cup for Paul and himself, and smiled and said to Paul: “Come, taste my Old Master’s tea.”

Paul nodded and thanked him, then took his teacup to his lips and took a sip.

Immediately afterwards, his expression became a little weird.

After tasting it for a long time, he said embarrassedly: “Uncle Willson’s taste in drinking tea is very strange. To be honest, I can’t taste the goodness of this tea. Why does Uncle Willson treat it as a good treasure? Where’s the tea?”

Charlie thought to himself that this Paul was really acquainted, much better than his own husband.

He is a silly Old Master who has been drinking this kind of tea. Not only did he fail to drink it, but the more he drank, the better it tasted.

If he hadn’t stopped him, he would definitely find the WeChat girl who sells tea to buy some more.

So he smiled and said to Paul: “father-in-law bought this tea from a liar on WeChat. It cost a lot of money, but it’s really not a good thing.”

Paul also understood what was going on. He nodded slightly and said to Charlie: “I have the superb one that I entrusted to others and bought from the south. I have a chance to give some to Mr. Charlie next day. Let uncle Willson taste it. The tea is really good. It was a tea that was picked and fried by the top master.”

Charlie politely thanked him and said, “father-in-law doesn’t know much about tea, but he just likes it very much, so if you give him good tea, it will be a violent thing. Just keep drinking this tea and entertain yourself.”

In fact, Charlie’s psychological activity is that son-in-law hasn’t given him any good tea. Does it seem inappropriate for him, an outsider?

Paul didn’t realize Charlie’s mentality. He thought of what Jacob told him before entering the villa, and looked at Charlie curiously: “Mr. Charlie, I heard Uncle Willson say that this villa is for others to see. Is it true that I earned it from Feng Shui?”

Charlie smiled slightly and said, “That’s right. Actually, it’s not just looking at Feng Shui, but by looking at Feng Shui, it solves some of the more important problems for others.”

Paul said very sincerely: “Mr. Charlie will tell you that, I am a person who has studied the Book of Changes and gossip and other things, but I have never had a very good

Master to get started, and my spare time is also relatively limited. , So my research is relatively superficial.”

After speaking, Paul said again: “By the way, Mr. Charlie, my new company will be officially opened in Aurous Hill soon. Could you please help me take a look at Feng Shui?”

Charlie saw that this Paul was very friendly to himself, and his EQ and quality were relatively high. In line with the principle of reaching out and not hitting the smiley person, he smiled and said, “When will your company open? I can take time to have a look.”

Paul was very excited and said, “Thank you so much. My company will open the day after tomorrow. If you have time, can it be tomorrow?”

“It is Okay.”
