

The Charismatic Charlie Wade Chapter 2414

Chapter 2414

Anyway, he was tired of the days of hiding everywhere, earning 10 million for his family, and giving himself a chance of complete liberation. He had no reason to refuse.

So, he moved to Aurous Hill yesterday, ready to play!

According to the owner's request, he had to find a surveillance camera to expose himself before escaping to a place called Treasures Pavilion.

Now, what he is doing is to expose himself and let the Aurous Hill police know that he is here!

At this moment, the Aurous Hill Police Command Office.

The police's face recognition system suddenly issued a harsh warning sound, and the police officer on duty was shocked when he saw it!

On the computer screen, a system prompt has popped up with a line written on it: "Identified by the face recognition system, A-level wanted criminal Shred has appeared in our city. Please verify immediately!"

The police officer on duty hurriedly retrieved the live video automatically captured by the system. After a closer look, he was shocked. He quickly picked up the emergency phone on the desktop and blurted out: "A-level wanted criminal Shred appeared at the Lidong Road Metro Station Please implement the arrest immediately!"

The whole Aurous Hill police blew up!

A-level wanted criminals to appear in Aurous Hill. This is definitely the last thing the local police want to see, because once this criminal makes a big case in the local area, not only will the local people suffer, they will also have to bear huge public pressure!

As a result, the police immediately mobilized the city's police force and decided to arrest Shred at the earliest.

At this time, Shred received a text message on his mobile phone: "Aurous Hill police have found you! A patrol car is rushing to catch you. Pay attention to your right-hand side. It is still 800 meters away from you!"

After reading the text, Shred gritted his teeth and stared at the right side unblinkingly.

Soon, a police car in the distance appeared in the field of vision and kept approaching.

However, the policeman didn't turn on the lights or the siren, so it didn't look like they were performing an emergency mission.

But Shred knew in his heart that the people who spent money to hire him had a good eye. Since the other party said that the car was here to catch him, he would definitely not make a mistake.

He watched the car getting closer, and could feel his heartbeat in his throat.

He didn't have a rush, because he knew that the person who hired him had a requirement, and he had to be chased into the Treasures pavilion next to him by the police, instead of running over by himself.

So, he was smoking a cigarette in his mouth, while calculating the distance and timing.

He is now standing on the sidewalk, the road is higher, and there are a lot of shared bicycles on the side of the road.

Therefore, after the police car drove to the front of the motorway, it was impossible to drive the car directly in front of him, and could only pull over on the motorway and then walk over.

This at least 12 meters of walking distance is his chance to escape.

He knew that this was to coax the city police, and they would definitely not shoot directly, so with the advantage of more than ten meters and a faster starting speed, the police officer would not be able to catch up with him, and he would be able to run into the treasure pavilion.

In that way, the opponent chased all the way, escaped all the way, and rushed directly into the Treasures Pavilion.

At this moment, the police car was almost in front of him. He glanced at the police car in surprise, and when the police car pulled over, he began to back up cautiously.

At this time, the door of the police car opened, and several police officers pretended to be on a routine patrol, got out of the car slowly, preparing to paralyze Shred, and then waited for the opportunity to approach.

However, Shred was very nervous. He took a puff of the cigarette, threw his cigarette butt to the ground, turned around, and ran back.

Several police officers wanted to approach quietly, but when they thought that Shred was so nervous, one of them immediately shouted: "Shred, stop there!"

Shred didn't look back at all and ran forward like crazy.

Several police officers hurriedly pursued.

Relying on his leading advantage, Shred took the police around twice and rushed directly to the treasure pavilion not far away!

The police officers at the head were desperately chasing while using the intercom to report: "Shred has a strong anti-reconnaissance awareness. He started to flee when he saw us. Now he has escaped into the Treasures Pavilion! Request the city bureau to immediately send police forces to block the Pavilion and implement the full encircling protocol. We need to catch him now!"
