

The Charismatic Charlie Wade Chapter 2423

Chapter 2423

Hearing Charlie's analysis, Issac couldn't help but nodded and said, "This thing is really strange. Normally, only a fool will run into the building when he is chased. Normal people should think about it. They will run away quickly, as far as possible."

Charlie snorted and said, "Since Shred is a long-run A-level wanted criminal, it is absolutely impossible for him to commit such a low-level mistake. Otherwise, he must have been arrested a long time ago, so I speculate that the greatest possibility is , Shred deliberately wants to enter the Treasure Pavilion!"

"Intentionally entered the Treasures Pavilion..." Issac couldn't help but muttered, and asked in confusion, "What will he do in Treasures Pavilion? There is no big auction in Treasures Pavilion today. Today, it is a judicial auction, and everything is sold. For big things like houses and cars, there is no point in grabbing these things!"

Charlie smiled and said, "Don't forget, he was chased into the treasure pavilion by the police, or that he deliberately pretended to be chased into the treasure pavilion by the police, so it is unlikely that he was going to the treasure pavilion."

Issac asked puzzledly: "Master, if he didn't run for things, then what was he running for?"

Charlie snorted coldly, "Since it's not running towards things, it must be running towards people!"

"Running for people? He is an A-level wanted criminal. Once he is found out, he is likely to be caught or even killed. Who would be running for such a big risk?"

Charlie said earnestly: "Today, there should be five people with the highest value. One is me, one is you, one is Bao fugui, and the remaining two are Ms. Liona Du and Zhiyu Su. Who do you think he is running for?"

Issac thought for a while, and said seriously: "It's a little less likely to run towards the two of us. After all, we have already come out and he just went in. Then there is a high probability that these three people will remain."

As he said, he muttered again: "Possibility of wealth is slightly greater. After all, he is quite famous in Aurous Hill. Although he is not worth as much as Miss Warnia from the Song family, and not as good as Qin Gang, but at least he has billions of assets."

"As for Liona and Zhiyu...I think the possibility is a little bit smaller. Like the Wade family, the Su family is one of the top families in the country. The protection of family members is very in place. There is no media outlet. They dare to expose their member information without the consent of these big families. Therefore, even the richest man in Aurous Hill, it is very difficult to figure out the information about the members of the Su family, let alone for Shred, a wanted criminal."

Charlie frowned and said, "You didn't understand the core of this incident. The core of this incident is that Shred risked his life to act in a play. It is impossible for him to act in a play just to find treasure. Wealth, or ask the Su family for some money, I think there is a high probability that there is a conspiracy."

"Conspiracy?" Issac was a little puzzled and said, "Master, you said there was a conspiracy. Is it because the enemy of the Su family wants to deal with the mother and daughter of the Su family? Or the rich and wealthy enemy wants to use Shred's hand to kill him? "

Charlie nodded: "I think it's all possible. What's going on, we still need to see how this matter develops in the future."

Issac said: "This Shred wants a humanshield to escape. I don't know if he can escape this time."

Charlie smiled and said: "Whether he can escape depends on whether there is anyone behind him to help, otherwise, with his own ability, making such a big disturbance, and Warnia to escape from birth, it is simply a dream!"

Speaking of this, Charlie sneered: "However, since he dared to play so big, someone must help from behind!"

...

Soon, Issac drove to Treasures Pavilion.

When approaching the Treasure Pavilion, Charlie had already pulled out his mouth to put on the cover, so as not to cause too much attention and expose himself.

At this time, the Treasures Pavilion was surrounded by a large number of police officers and police vehicles, and even wheeled armored vehicles dedicated to anti-terrorism were dispatched.

The several roads close to Treasures Pavilion have all been blocked by the police, and a large number of police forces have even been deployed to evacuate the crowd.

As soon as Issac's Rolls-Royce arrived at a blocked intersection, a middle-aged man hurried over and greeted Issac through the window.

Issac put down the car window and said, "Captain."

The one called is the head of the Aurous Hill police, Ross.
