

# The Charismatic Charlie Wade Chapter 3126

## Chapter 3126

He didn't know it was his search behavior that caused the catastrophe. He pushed the door and asked with a flattering expression: "Sir, what do you want me to do?"

The person called Allan immediately asked him: "You just checked the information of a BMW in the system?"

"Uh..." the person said nervously, "No, is there any misunderstanding?"

"Misunderstanding?" Allan said in a cold voice: "Don't forget that there are behavior statistics inside the system."

"The login account which just checked the car info is yours, and the IP address that sent the query request comes from your workstation. How do you explain this?"

The man was startled. He usually has a good relationship with Allan, and he can be regarded as one of his confidantes.

It stands to reason that he shouldn't suddenly become so serious. He must have caused trouble.

So he hurriedly said in a low voice and flattering: "Allan, what we do is the work of the traffic system."

“I check the license plate number. There is no principle problem? Why are you so angry?”

Allan sternly said: “In normal times, opening one eye and closing one eye will pass, but this time you stabbed a big basket! I can’t save you!”

The man asked nervously, “All...Allan...What the hell is going on here? Can you give me a rough idea? My heart is panicking like something...”

Allan glared at him and said coldly:

“Because of your business, President Issac from Shangri-La has come to me. You know his background. It is definitely not a trivial matter to let him find you so quickly!”

The man exclaimed: “Iss...Issac?! Allan, what should I do now, please show me the way!”

Allan opened the mouth and said: “There is a way to make up for the work, it depends on whether you are worthy of cooperation.”

The man hurriedly said: “Cooperation? I will definitely cooperate!”

## **Chapter 3127**

After Issac solved all the problems in the fastest time, he immediately called Charlie. At this time, Charlie had just driven away from the Olympic Center.

After answering the phone, Issac said to Charlie, “Master, someone inquired about your wife’s car in the traffic data system just now.”

Charlie frowned and asked: “Who did the investigation?”

Issac hurriedly said: "It is a middle-level manager in the relevant department."

With that said, he reported the incident word by word.

After Charlie listened, he said, "You have done a good job of this, so take precautions."

"This is my job."

Charlie asked again: "Have you checked back, who on earth wants to check my wife's license plate number?"

Issac hurriedly said: "The information found was an old classmate of the person involved in Eastcliff, and the other party worked in a company under the name of the Su family."

"The Su family?" Charlie suddenly realized something, and said:

"Then I guess the person who wants to check on me should be Zhifei from the Su family. I just drove the girl to the performance venue, and he probably saw us."

Issac blurted out: "Dmn, the ba5tard of the Su family has always been ill-intentioned towards Miss Gu."

"I heard that he organized a luxury motorcade to pick her up from the airport, but he was completely bypassed."

After speaking, Issac said again: "Master, this boy has probably been eyeing you. He wants to check your license plate number. It must be aimed at you."

"Although Aurous Hill is not in the Su family's domain, if they want, they can find a relationship from Eastcliff. I guess it won't be long before he finds you! You must be prepared!"

"Hmm..." Charlie said with a cold face: "Zhifei shouldn't see my appearance yet, but since he came to the door, he must take the initiative to attack this matter!"

Having said that, Charlie said again:

“Tomorrow night, I am going to attend the concert. If I don’t do anything to Zhifei, I will definitely be unavoidable to meet him at the concert. I need to solve this trouble!”

Issac hurriedly asked, “Master, what are your plans?”

Charlie sneered and said: “In this way, you first let that person give feedback to Zhifei any false information, and the specific information is what I tell you...”

After that, Charlie informed Issac of his plan in detail and asked him to strictly follow the requirements.

Charlie knew very well that he had rescued Zhiyu and Zhifei in Japan, so if he really came face to face with him, he would definitely recognize him.

Therefore, instead of waiting for him to recognize him at the concert tomorrow, it is better to take the initiative to solve him.

Originally, he didn’t want to attack him. After all, everyone has the right to pursue his favorite object.

He can’t act on him simply because he likes Sara. After all, he is not as arrogant as that stupid Kim.

But this time the situation is completely different.

This Zhifei was so bold that he dared to let people check his wife’s license plate number!

His behavior alone has clearly played the world!

Now that he has crossed the redline, he can’t blame Charlie anymore!

## **Chapter 3128**

Due to a very bad mood, Zhifei sat in his Rolls Royce and did not get out of the car for a long time.

Even though Sara's rehearsal singing soon hit his eardrums coming from the stadium, he still sat motionless in the car.

At this time, he was extremely unhappy.

The reason that made him unhappy was that on the one hand, Sara's deliberate avoidance of him, on the other hand, it was the unknown BMW driver.

And he didn't understand why Sara would condescend to take a cheap BMW to the stadium.

After all, a brand like BMW, in the second-generation circle of Eastcliff, is simply rubbish that no one touches.

Like their top rich second-generation, the advanced customized version of Rolls-Royce is basically the standard for travel.

A car of this class like BMW is not even worth mentioning in front of the high-end customized Rolls-Royce.

Seeing that more than ten or twenty minutes have passed, and his subordinates have not returned the information of the car, he can't help but feel a little annoyed.

When he was about to dial the number, he suddenly received a call from his subordinates.

He immediately connected the phone and yelled: "I let you fucking check a license plate, where were you checking it for me, maybe on fucking mars?!"

The other party hurriedly said: "Master calmed down. The people over there just reported that there was a problem with the system. It has just been dealt with. The car you want to check has results."

Zhifei hurriedly asked: "What is the result? Who is the owner of that car?!"

The other party replied: "Master, the BMW car you asked me to check is a car registered under the name of Aurous Hill Emgrand Group."

“Emgrand Group?” Zhifei couldn’t help frowning.

## Chapter 3129

He has been in Aurous Hill during this period, but he has some understanding of the situation in this city.

The largest local company here is the Emgrand Group, but the owner of this group is mysterious, and Zhifei doesn’t know who this company belongs to.

So, he was a little surprised at once, and blurted out: “Is the info true?”

The other party replied: “It is definitely true. He also told me that the number of vehicles registered under the Emgrand Group’s name is more than 500 large and small. This BMW is one of them, and there is a small detail. This car is not a BMW 520, but a BMW 760.”

“Impossible!” Zhifei blurted out: “I saw the car’s tail label says 520! How could it be 760?! Is it a mistake?”

“No.” The other party said earnestly: “I have repeatedly confirmed that the license plate number is indeed a BMW 760. As for you said that the tail number is 520, then I guess it may have been tampered with.”

After speaking, he said again: “Master, you may not know much about the entry-level low-end luxury cars like BMW, but there is actually a big difference between the BMW 5 Series and the 7 Series. At first glance, they seem to be similar, but in fact, there are many differences, but people who don’t know it can’t see it.”

“Just like the current Mercedes-Benz E-Class and Mercedes-Benz S-Class, people who don’t understand cars basically can’t see the difference. Compare the video of the driving recorder with the photo of the BMW 760 on the Internet. If you find it wrong, I will immediately ask that person to follow up.”

Zhifei naturally didn't want to make any difference, so he immediately said: "Let me look at the video of the dashcam. You can find me the detailed pictures of the rear of the BMW 760 and 520 and send it to my WeChat. I will confirm it first."

"Okay, master!"

Zhifei hurriedly opened the video of Rolls-Royce's built-in driving recorder and found the clip just taken. After playback, it can be clearly seen that the rear of the car is indeed written BMW 520.

The reason why he wants to figure out whether it is 520 or 760 is mainly to determine whether this car is an Emgrand Group car.

If it is true that this car is a BMW 760, then all the clues can be confirmed that this car belongs to the Emgrand Group.

But if this car is not a 760, or an ordinary 520, then it proves that the information feedback from his men is wrong.

In that case, either the subordinate has a problem, or the BMW 520 has a problem, or maybe it is a licensed car.

At this moment, he received several official details of the BMW 520 and BMW 760 from his staff.

He can tell at a glance that the official BMW 760 detailed map is exactly the same as the car he just saw.

This also means that the car just now is indeed the BMW 760 that has changed its tail.

It also means that the car is indeed from the Emgrand Group.

Zhifei frowned and called and asked, "Do you know who the boss behind Aurous Hill Emgrand Group is?"

"I don't know." The other party replied: "The legal representative of the Emgrand Group is Doris Young, who is the vice-chairman of the Emgrand Group, but the shares of the Emgrand Group are not in her name."

## Chapter 3130

After speaking, the other party further introduced: "Although this company is registered in Aurous Hill, the equity structure model of Aurous Hill Emgrand Group is the same as that of domestic Internet giants. There is also an overseas parent company in the upper structure."

"What's more fucking is that its overseas parent company is an offshore company registered in the Cayman Islands."

"This offshore company controls 100% of Aurous Hill Emgrand Group, so you have to find out who the owner of the offshore company is to know. Who is the real owner of the Emgrand Group."

"It's so troublesome..." Zhifei asked: "Can you find out the shareholder information of this offshore company overseas?"

"Unable to find out." The other party said truthfully: "The Cayman Islands has long promulgated judicial regulations to provide comprehensive privacy protection for all companies registered in its territory."

"Information related to directors and shareholders is completely confidential. The bank's strategy is exactly the same, so we can't find any information."

"Grass!" Zhifei cursed angrily: "I don't believe in this huge company of Emgrand Group in Aurous Hill. Does anyone know whether its boss is a man or a woman, and how old is that person?"

The other party immediately said: "The person who gave me the information told me that their boss is very powerful, young and handsome, and he also said that he was the mysterious rich man who was very famous last year in Aurous Hill!"

"What mysterious rich man?" Zhifei heard the other party saying that the boss of the Emgrand Group was young and handsome, and immediately became a little unhappy, and asked coldly, "Is this mysterious rich man very famous?"

The other party replied: "According to my source, he is quite famous. He used tens of millions of cash in a jadeite shop to smash a despising salesperson. At that time, there were a lot of rumors in the city about him."

Zhifei was a little annoyed.

He felt that if according to his subordinates, the boss of the Emgrand Group was really a strong competitor.

Combined with Sara deliberately bypassing him, coming to the scene with him, and being so affectionate to bid farewell to him, maybe this guy has already taken a step ahead and won Sara's favor!

Thinking of this, he felt angry and anxious, and blurted out, "Is there any personal information about this Doris Young?"

"Yes!" The other party introduced: "Her information is more transparent. She is a native of this city. She has all traces to follow in the past. She was a school teacher. Later, she joined the former Emgrand Group in a short time."

"She helped the Emgrand Group continue to grow and develop, she has also been promoted all the way to the position of Vice Chairman of the Group. She has been the top leader of the group until now."

Zhifei nodded and said, "In this way, if you want to know who the boss of the Emgrand Group is, you have to have a good chat with this woman."

After that, he immediately ordered: "You can contact this woman for me, saying that I want to take some time to visit her at the Emgrand Group and talk to her about business cooperation."

Zhifei felt that as the eldest son and eldest grandson of the Su family, as long as he reported his name to visit, who should not consider him a guest?

At that time, he meets that Doris, and will try to figure out the identity of her boss from her mouth.

If she doesn't say anything, then throw a cooperation intention as a bait.

In this way, he believes that the boss of the Emgrand Group will definitely be impatient to meet him after hearing the news that the Su family is going to cooperate with him.

After hearing this, his man hurriedly asked him: “Master, when do you want to meet her?”

Zhifei said without hesitation: “As soon as possible, better if now!”
