

The Charismatic Charlie Wade Chapter 3177

Chapter 3177

Charlie didn't say anything to Philip. He just felt that it was a bit of a waste for the old man to suddenly give him a private plane.

And this is not an ordinary small private jet worth tens of millions or one or two hundred million. This is a private jet modified from a Boeing 737 passenger plane.

The ex-factory price of a Boeing 737 ordinary passenger plane is about 100 million US dollars, but this is only an ordinary passenger plane.

For private jets, an ordinary passenger plane is equivalent to a blank room, and the cost of the renovation and decoration of this blank room , At least accounted for more than half of the total value.

Calculated in this way, the value of this aircraft alone would be around one billion yuan.

Charlie was indeed a little ashamed to receive such a valuable gift for his birthday.

Seeing that he seemed to hesitate, Philip stepped forward and took his shoulders and said earnestly:

"Charlie, in my mind, you are just like my son. You now have your own career, and you often need to move around."

"It's much more convenient for you to have your own private jet flying back and forth across the country and even around the world."

Charlie said seriously: "Uncle, in fact, the Wade family also has a spare private jet in Aurous Hill. Generally speaking, it is enough for me. I really don't want you to spend too much money."

Philip said with a very firm expression: "The Wade family's private jet belongs to the Wade family. The plane that your uncle gave you is your own."

"Does it feel the same using your own things or other people's things?"

"Besides, your relationship with the Wade family is not clear. If you have an awkward relationship with your grandfather one day, and use his plane again, wouldn't it be a dwarf?"

As he said, he continued: "Besides, what is there to be polite about with your uncle? It's just a plane, it's only 1 billion at best. I'm a person who almost died once. There is so much money and nowhere to spend it. It's also very painful."

Lenan on the side also hurriedly agreed: "Yes, Charlie, you can accept it happily, look at your uncle's age, he gave you a birthday gift, and he has to ask you to accept it."

When Charlie heard this, he immediately realized that he was indeed a little too outspoken.

The more expensive the gift, the more importance he is given by Uncle and his wife. If he shirks repeatedly, it will hurt their feelings for him.

Chapter 3178

So Charlie nodded immediately and said, "Thank you, Uncle and Auntie. From now on, I will also have a private jet!"

As soon as Philip heard this, he laughed suddenly, shook the big hand on Charlie's shoulder, and said with a smile: "Come! Let's go to the restaurant!"

Charlie invited Philip and his wife to sit in the back row of his BMW 760, and then opened the door of the co-pilot for Sara. Before he finally got into the car, he told Issac: "Mr. Issac, let your car be in front. Open the way, let's go directly to Classical Mansion now."

Charlie had already talked with Orvel before, that he was going to entertain guests at Classical Mansion today, so the entire restaurant was not open for business today.

Orvel also turned away everything at hand and rushed to the restaurant as a supervisor early in the morning.

From the security work and service process of the entire restaurant to the freshness of every dish, raw materials, and tableware to be prepared today, Orvel basically inspected everything in advance more than once.

When Issac opened the road ahead and led Charlie to leave the airport together, he had already informed Orvel.

Orvel immediately asked all the service personnel to line up in the parking lot at the entrance of Classical Mansion to prepare for the welcome. At the same time, he also ordered many younger brothers to guard both sides of the entrance, and asked them not to let any other people in.

After all, Sara, who is with Charlie, is one of the hottest stars in the country today. If her meal in Classical Mansion is revealed, she will be on the gossip news immediately. Orvel is extremely loyal to Charlie, so naturally, takes care of this.

He can't leave any hidden dangers to Charlie.

When the convoy drove into the parking lot, Orvel led a group of waiters waiting at the door.

As soon as Charlie stopped the car, he took the lead to step forward, first opened the two rear doors and the co-pilot's door, and said politely to Philip, his wife, and Sara: "Welcome three distinguished guests to Classical Mansion!"

Then he opened the main driving door and said to Charlie: "Master Wade, the boxes are ready, let's go in now."

Charlie nodded and said, "You have worked hard."

"Should have!"

Chapter 3179

Issac got out of the car at this time and said to Charlie: "Master, I'll be waiting at the door. If you have anything to do, please tell me at any time."

Charlie hurriedly said, "Why are you waiting at the door? Let Orvel arrange it. You can find a box to sit down and have a bite. I'll come over and have a drink with you in a while."

Orvel said quickly: "No problem Master, wrap it around me!"

When Issac heard this, he was really touched.

At any time, Charlie would think in his heart that he and Orvel as subordinates were indeed much better than ordinary wealthy young masters!

So he respectfully said: "Everything is subject to the arrangements of the young master!"

Charlie nodded, and Orvel said: "Master, you four, please come with me first!"

Afterward, the four followed Orvel to the main entrance of Classical Mansion.

Sara remembered the cake and hurriedly said to Orvel: "Mr. Orvel, the staff will send a customized cake in a while. Could you please arrange a suitable dining car, and I will help push the cake to the box."

"This cake is very special. Precious, so please make the staff be careful when arranging all this and don't spoil the cake, thank you!"

Orvel said without hesitation: "Miss Gu, you are polite, I must arrange it properly!"

After that, he led the crowd all the way to the diamond box of Classical Mansion. At this time, the box was extremely clean and tidy, and it would not be an exaggeration to describe it as spotless.

Eight cold dishes have been placed on the huge round table. There are four types of meat and four vegetarians, and each one is extremely elegant.

In the center of the round table, there are two bottles of collector's Moutai and two bottles of Romani Conti red wine worth hundreds of thousands of dollars.

A total of four sets of exquisite tableware were placed on the table. Next to each tableware, there was also a golden copybook on which a lot of information was written with very elegant brush writing.

Orvel said to Charlie, "I have arranged a recipe in advance. The order, materials, and characteristics of each dish are written on the list. Four VIPs can have a look and understand. , If you have any reservations or other needs, you can tell me at any time!"

Philip picked up one of the posts and looked at it, and exclaimed: "This handwriting in lower case is really beautiful! The paper is also very elegant!"

As he said, he put the post under his nose and smelled it, and exclaimed: "This ink has a strong scent. It shouldn't smell modern, right?"

Orvel couldn't help giving a thumbs up, and admired:

"Mr. Gu has really clever eyes. This was written by a calligrapher from Aurous Hill, and it was made in Hui ink made in the ear of the 5th emperor of the Ming Dynasty."

Chapter 3180

Philip couldn't help but admired: "Mr. Orvel is too meticulous in his facts. Such a good service, even if I haven't seen it in Eastcliff!"

Orvel said hurriedly: "You tell me, Mr. Gu, I usually can't do this in the best of restaurants this day, but today it was Master Wade who explained in advance to entertain distinguished guests, so I just took a little more thought..."

Philip gave a thumbs up and said with a smile: "Mr. Orvel has been troubled!"

Orvel respectfully said: "It is such a pleasure to serve you!"

After speaking, he said to Charlie again: “Master Wade, I will not be here to delay your meal with the guests. I will deliver the cake at the request of the caregiver when it arrives. If you have any needs, please call at any time!”

Charlie nodded slightly, and said to Orvel: “Orvel, order three cups of plain water.”

When Orvel heard Charlie say that he should prepare water, he immediately said, “Master, do you want me to soak some good tea and send it over? They were all picked from Suzhou and Hangzhou just two days ago and sent to Aurous Hill. Indeed the quality is very good.”

Orvel obviously didn’t know why Charlie asked him to prepare water, so Charlie smiled slightly, waved his hand, and said, “Don’t be so troublesome, just prepare water directly.”

After that, Charlie said again: “Oh, by the way, help me prepare a fruit knife.”

Although Orvel didn’t know why, he immediately nodded and said, “Okay Master, I will prepare now and deliver it right away!”

Philip, his wife, and Sara also didn’t understand why Charlie wanted water and a fruit knife, but they didn’t even ask.

Immediately, Charlie smiled and said, “Uncle, Auntie, and Sara, let’s take a seat first!”

“Okay!” Philip laughed and said, “Charlie, today is your birthday. I am so happy. We have to drink two glasses of everything!”

Charlie nodded without hesitation and said, “No problem, Uncle! I’ll accompany you as much as you drink!”

After that, he took the initiative, opened a bottle of Moutai, and poured two cups for himself and Philip.

Sara also hurriedly opened the Romani Conti red wine, slowly poured it into the decanter, and said to Charlie: “Charlie, I still have a show at night, so I can’t drink too much. I will respect you and my parents. I won’t drink too much just a cup, and if I have a chance after the show, I’ll accompany you to drink more!”

Charlie smiled and said, "It doesn't matter, drinking more will not delay your business."

Sara sticks out her tongue: "The performance at night is so important. I don't dare to make any mistakes. If I drink too much and go crazy on the stage, the jokes don't matter. The key is that if the performance is ruined, it will be over."
