

Chapter 31 Getting Pounded on by Chu Ling

When Lin Wenjing saw Chu Ling walking toward him, he immediately held his breath, and his whole body started to tense up.

Chu Ling's face was flushed, as doing this kind of thing was a huge challenge to her.

"Chairman, I will cooperate with whatever you want to do," Chu Ling's voice trembled as she said.

She was supposed to be against such a thing, but right now, she didn't feel as repulsed as she was before.

It was probably because she had prepared herself for the worst-case scenario, and right now, the situation looked much better than what she had initially thought.

Lin Wenjing's blood was boiling. Chu Ling's hands were on his chest, which was the most intimate he had ever been with her ever since they met!

The sight of Chu Ling taking such an initiative was extremely seductive to Lin Wenjing, so he reached out his hand and held Chu Ling's waist. With a small pull, he pulled Chu Ling into his embrace, and now they were pressed against each other, leaving no space in between them apart from their clothing.

Chapter 31 Getting Pounced on by Chu Ling

For that split second, he was overwhelmed with the urge to conquer Chu Ling! But he controlled himself. He had dreamed of taking Chu Ling but never in such a manner. In a way, if he really did pounce on Chu Ling, he would be cheated on with himself, and that was not the outcome that he wanted.

So, he let go of Chu Ling and said in a cold voice, "Leave. I'm not interested in another man's wife."

Chu Ling was bewildered.

What was going on? Didn't the Chairman want to dominate her? She had already brought herself to him, A life upside down TK so why did he ask her to leave now?

"Chairman, I may be married, but I'm still a virgin! If I lied to you even the slightest bit, may I be struck with lightning and die a terrible death!" Chu Ling was now desperate.

The Chairman was staring at her now, and for some reason, she saw sorrow in his eyes.

Lin Wenjing turned around and waved his hand, and said with an icy tone, "Get out. I'm not interested in you."

At that instant, Chu Ling's face paled and her

Chapter 31 Getting Pounced on by Chu Ling

mind turned blank in panic.

Before she came here, she had been imagining countless outcomes including being humiliated by multiple men, but she'd never expected an outcome like this! She might not be some well-known superstar, but she was very confident in her looks. How could the Chairman of Purple Jade Studios not like her, and even asked her to 'get out'?

She couldn't think of what she had done wrong.

At that moment, she felt so embarrassed and wronged that she felt like crying.

She bit her lip hard and furor welled up in her. To borrow the money she needed, she had made such a huge sacrifice and even lost her sleep in the past few days! She had struggled countless times to come to this decision, yet now her target was telling her that he was uninterested in her. She felt like she was being mocked!

"Give me a reason!" Chu Ling said, unconvinced.

Lin Wenjing said coldly, "Why do I have to do that?"

Chu Ling gritted her teeth and did something

Chapter 31 Getting Pounced on by Chu Ling

that Lin Wenjing didn't expect. She ran over and hugged Lin Wenjing tightly from the back and pushed him onto the bed.

"Hey! What are you doing?!" Lin Wenjing was taken aback by her actions and yelled out. He forgot to deepen his voice and accidentally revealed his real voice.

Luckily, Chu Ling was extremely emotional right now and didn't take notice of it. She didn't notice that his voice had changed as she straddled him. Her teeth were gritted and her eyes red, as if she was about to go all out. "You promised me! You promised that as long as I stay with you for three days and three nights, you would lend 20 million to the Chu family without interest for three years! You can't break your promise now! I'm already here, so you can do whatever you want to me, and you must lend me the money!"

Chu Ling was extremely agitated, to the point that her whole body was trembling.

Lin Wenjing didn't know Chu Ling would be so rough, and his heart was filled with rage. Luckily, he was the Chairman of Purple Jade Studios. If it were another man, then he would have been completely, irrevocably cheated on!

"Let me go." Lin Wenjing sounded a little

Chapter 31 Getting Pounced on by Chu Ling

frustrated.

“No! You can’t break the promise you made!”
Chu Ling said fiercely.

Lin Wenjing said, “You’re insane. Who said I would break my promise? I already wrote the check for 20 million a long time ago.”

Chu Ling was taken aback. She followed Lin Wenjing’s gaze to the right and saw a check placed on the table.

Lin Wenjing took the opportunity to push Chu Ling away and got up from the bed. With his back facing Chu Ling, he fixed his mask. In their struggle just now, it had been knocked a little askew, but luckily, Chu Ling hadn’t recognized him. If she had, he would be done for.

“This is the check for 20 million. You can withdraw from any bank. As for the IOU, I don’t need it. Even if the Chu family had the guts of a hundred soldiers, you wouldn’t dare to repudiate what you owed me, since I have a hundred ways to make your family regret ever crossing me!” Lin Wenjing said icily. His tone was coercing and his immense aura caused Chu Ling to shudder.

She picked up this check and saw that it did, in fact, had a 20-million figure on it, signed by

Chapter 31 Getting Pounced on by Chu Ling

Purple Jade Studios.

However, even with her intelligence, she still couldn't imagine what the Chairman of Purple Jade Studios was thinking.

"W-Why do you want to help me?" Chu Ling asked in confusion.

Lin Wenjing had his back against her as he stood in front of the window staring afar, looking like an awe-inspiring esteemed person. "I never force people against their will. You're a good woman, unlike other gold-digging women, as you're willing to sacrifice yourself for your family. There aren't a lot of women like you left in this world, and I don't want to taint your purity."

Chu Ling's jaw dropped as she looked at Lin Wenjing's back, her heart skipping a beat. She felt an emotion she had never felt before.

Was this the very reason why he didn't touch her?

She bit her lip, hard, and said softly, "Thank you!"

Lin Wenjing hummed lightly in response, maintaining his aloof persona.

Chapter 31 Getting Pounced on by Chu Ling

Chu Ling held onto the check for 20 million, her emotions in overdrive. “Then, can I leave now?”

“Just go.”

Chu Ling had walked up to the door when she suddenly seemed to think of something. Turning around, she asked, “Chairman, may I see your face?”

“Don’t challenge my patience. One phone call from me can cause that check in your hand to become mere trash.” Lin Wenjing’s tone was icy cold.

Chu Ling was immediately bewildered. Dead afraid that the chairman would start to regret his decision, she quickly apologized and left the office.

Once he was sure that Chu Ling had already left the office, Lin Wenjing’s tensed-up body finally relaxed. That was really too much of a close call. Something bad would have happened with just one mistake!

When he thought of the intimate contact he had with Chu Ling just now, Lin Wenjing’s heart started to ripple.

Chu Ling walked out of the office and got a gust of cold wind blown at her face. Everything

Chapter 31 Getting Pounced on by Chu Ling

felt extremely unreal as if she just had a dream.

She had actually gotten the 20 million without losing her virginity, and she hadn't even needed to write an IOU.

That tall, strong figure of the Chairman of Purple Jade Studios emerged once again in her mind. The last few things he had said to her was what really made her emotions start to boil over.

At a young age, he had become the chairman of Purple Jade Studios. He also had a great body and such an impressive aura, and most importantly, he wasn't a man controlled by his lust! His mind was clearly above other men, and such a man was practically extinct right now!

When she thought about how the Chairman of Purple Jade Studios had hugged her and how their bodies had been pressed up against each other—as well as the strong hormones emanating off of the Chairman's body—her cheeks burned. If only the Chairman was my husband...

Chapter 32 Kneel Down!

Just as soon as she had the thought, she immediately shook it off.

What ridiculous thoughts, I must have lost my mind! she thought. The Chairman of Purple Jade Studios stood at the very top of the pyramid, and she was but a woman from a regular family. How could she be with a guy of his social standing? She was only fit for a piece of trash like Lin Wenjing.

When she thought about Lin Wenjing, she started feeling enraged again. This bastard had already disappeared for a full day! He knew this was the day she was about to 'sacrifice' herself, yet he hadn't appeared at all, nor had he sent her an encouraging message, and he hadn't signed the divorce papers, either.

But just as she was thinking of that, she saw someone she was extremely reluctant to see the moment she walked out of Purple Jade Studios. Lin Wenjing. At the sight of him, she immediately felt enraged.

Right now, Lin Wenjing had on a distinguished-looking suit and actually looked decent. He was trembling a little in the wind, and when he saw her emerge, he came forth to greet her with a smile, "Chu Ling, so you're here, too."

As he spoke, Lin Wenjing took off his suit jacket

Chapter 32 Kneel Down!

and put it over Chu Ling's shoulders.

When Chu Ling saw him, she felt extremely agitated. The rousing emotions that she had been feeling since she successfully borrowed the 20 million disappeared, and she stared at Lin Wenjing with displeasure. "Where the hell have you been this whole day?!"

Right now, she was extremely frustrated at the sight of Lin Wenjing's face, and her tone was impatient as well. But Lin Wenjing wasn't the least bit angry after her supposed sacrifice. He had zero dignity as a man, and was just the furthest thing you could get from the Chairman of Purple Jade Studios!

A life upside down TK

"Um..." Lin Wenjing stuttered, and this caused Chu Ling to feel even more fed up with him. She waved her hand and said, "You don't have to tell me. I'm not interested anyway. Where did you get this suit? I thought you didn't have one?"

Chu Ling tugged at the suit jacket on her body and asked suspiciously. She stroked it and noticed the excellent quality and unusually comfortable textures. With first just one glance, she could tell that it was a high-class item.

Lin Wenjing's heart dropped with a Thump. Cr*p. He had come out too hastily and had forgotten to change his clothes.

Chapter 32 Kneel Down!

Luckily, he thought quickly and blurted out, "Didn't you always tell me to get a job? I came out today to find a job nearby and managed to find a job as a real estate agent. This suit is from them. It's new."

Chu Ling just hummed in response, clearly uninterested to ask further. She had some longing for Lin Wenjing before this, but after her meeting with the Chairman of Purple Jade Studios just now, that slight longing was now completely gone.

Before this, Zhang Hairong had courted her for a few years, yet she had never felt anything for him. She had never wanted a divorce as well, but after seeing the Chairman of Purple Jade Studios, she realized that she had had a crush on that aloof figure. For the first time ever, she had the thought of not spending her life with Lin Wenjing anymore.

The atmosphere suddenly froze. Chu Ling walked in front, her face cold as she stayed quiet, while Lin Wenjing could only chase after her like a loyal dog.

"Right, Chu Ling, did you manage to borrow that 20 million?" Lin Wenjing took the initiative to start a conversation, but as the words left his mouth, he started to regret it. Wasn't he just asking for trouble?

Chapter 32 Kneel Down!

As expected, Chu Ling's expression darkened and she glared at Lin Wenjing, about to burst out in anger. But Lin Wenjing's regretful and anxious child-like face caused her to start pitying him, so her expression softened as she said, "Yeah, I got it."

"That's good." Lin Wenjing smiled stupidly.

When she saw the smile on his face, Chu Ling felt another bout of anger. What sort of man was this? It was bad enough that he didn't feel embarrassed that his own wife had to sell her body in order to borrow money, but now he was even smiling!

Chu Ling really felt like slapping him, but when she thought about it, his only real sin was being useless. He hadn't really done anything wrong. Besides, this was her choice in the first place, so what right did she have to berate Lin Wenjing? So she held herself back and answered lightly, "Yes."

When they reached home, she opened the door to discover that the house was filled with the smell of cigarettes; somebody was obviously smoking. Not only were Chu Zhenyao and Liu Qiaozhen there, Chu Guodong, Chu Hao, Chu Huayou and the other elders were all there as well. They were smoking while discussing something, and when they saw Chu Ling and

Chapter 32 Kneel Down!

Lin Wenjing return, they were immediately stunned.

“Chu Ling! Didn’t you go over to spend the night with General Manager Wang? Why are you back so soon?” Liu Qiaozhen asked in shock.

Chu Huayou stood up. “Yes, Chu Ling, what is going on? Weren’t you supposed to spend three days and three nights with General Manager Wang? Why did you come back on your own?!”

When they saw that Chu Ling was back, they became agitated and unhappy. They assumed that Chu Ling didn’t finish her task and ran back home on her own accords, ruining the family’s plans in the process.

Chu Hao, too, started scolding, “Chu Ling, what is wrong with you? We repeatedly told you before you left that you must finish this task. No matter what, you have to bring back this 20 million! And now you have ungraciously returned here after less than an hour! The family brought you up, fed you, clothed you, and sent you to school. Now that the family is in trouble, is this how you repay us? Just for your own selfish desires, you have disrespected our family!”

Chu Ling had returned with great enthusiasm to tell everyone that she had finished her task

Chapter 32 Kneel Down!

ahead of time, that she had successfully brought back the 20 million. However, the moment she stepped into the doorway, these people started berating her in a craze before she even had the chance to speak.

Their words felt like a bucket of iced water that had rained over her head, immediately putting out her enthusiasm.

Her expression was filled with disappointment.

Seeing this, Lin Wenjing too frowned, and he stood out saying, "What right do you all have to say such things? Does Chu Ling even have an ounce of a connection to the whole reason the Chu family fell into such financial danger? It all happened because none of you know how to manage your finances, plus all of you are hopelessly corrupt! All of you spend more than what you earn, buying houses, cars, and other useless things! That's why the money stopped coming in, and you lost your connection to the channel businesses! It's a vicious cycle! Meanwhile, Chu Ling has always worked hard and contributed to the Chu family. The whole reason why the Chu family is where it is today is because of you yourselves, and it has nothing to do with Chu Ling! If sacrifice must be made for the family, it should be all of you who made those sacrifices! However, none of you sacrificed anything, and you guys even have the

Chapter 32 Kneel Down!

audacity to berate Chu Ling!”

Lin Wenjing was truly angered. He said this in one breath, and the whole crowd was silenced, staring at him as they didn't really know how to react. Did the cowardly reserved Lin Wenjing also have such a tough side to him?

Chu Ling also looked at him in shock. This was the first time she had seen Lin Wenjing act so manly.

Bam!

Chu Guodong slammed his palm on the coffee table viciously, and this caused all the teacups on the table to fall to the floor, shattering instantly. “How disrespectful!”

Chu Guodong pointed his finger at Lin Wenjing angrily, staring him down. “You useless piece of trash! Where did you have the audacity to scold us? I haven't even gotten you back for what you did at my 70th birthday gathering! And now, you're here, telling the Chu family off?!”

Chu Guodong thundered with a look full of wrath that scared even Chu Ling.

Lin Wenjing didn't back off this time. He didn't care if he got wronged by the Chu family, but he couldn't stand seeing Chu Ling get wronged. He

Chapter 32 Kneel Down!

knew better than anyone else how hard Chu Ling had tried tonight, and the Chu family elders berating her indiscriminately was just wrong!

"I'm not wrong! The reason why the Chu family is like this today hasn't the slightest bit to do with Chu Ling! You all don't even have the right to berate her like this! What's more, all of you have multiple houses, and you could have pooled money through selling those houses, but none of you volunteered to do that! You all would rather sacrifice Chu Ling to satisfy yourselves! All of you are selfish beasts!" Lin Wenjing's words were loud and powerful, and he didn't back down in the slightest.

Chu Ling was stunned. At that moment, she seemed to see a familiar figure converging with Lin Wenjing... Was that the Chairman of Purple Jade Studios?

"How dare you!" Chu Guodong was even more furious, just like the rest. They all stood up, ready to teach Lin Wenjing a lesson.

"You aren't getting away with this. Kneel down at once, now!"

"Kneel down!" Chu Hao demanded as well.

Chu Huayou ordered, "Kneel down!"

Chapter 33 The Check Was Real

Everyone was pushing Lin Wenjing to the corner, their faces hideous, and their wrath raining down on him. If Lin Wenjing had the guts to say 'no', they would pound on him at once like a pack of hungry hyenas.

Lin Wenjing clenched his fists as he too was simmering with rage. Images of the Lin family flashed through his mind upon seeing Chu Guodong and the rest. Many years ago, the whole Lin family had once forced him to kneel down just like this before.

"Why should I kneel? What have I said wrong?! I won't ever kneel down!" Lin Wenjing's eyes were bloodshot, and his face flushed red.

A life upside down TK

Chu Guodong felt extremely furious that his authority as the head of the family was challenged by a worthless live-in son-in-law like Lin Wenjing. "You shall kneel as I wish. Your will is not to be considered! Chu Hao, Chu Zhe, pin him down. Not only do I want him to kneel, but I also want to break his leg as well!"

Chu Hao and Chu Zhe obeyed his command and went over to press down on Lin Wenjing's shoulders. They even dug their knees on Lin Wenjing's leg, forcing him to kneel down.

Lin Wenjing struggled desperately, his eyes glaring widely as if they'd burst anytime. Just

Chapter 33 The Check Was Real

when he was about to snap, Chu Ling shouted, "Stop it, everyone!!"

However, no one listened to her. She took out the check which Lin Wenjing gave her from her bag and shouted loudly, "If any of you continued to make things difficult for Lin Wenjing, I will rip this 20 million check apart!"

Her voice was thunderous, and it even cracked. The words '20 million' stunned everyone in the room, and all of them stopped to look at Chu Ling. When they saw the check in Chu Ling's hand, a look of frenzy came to their faces.

"Is this..."

A life upside down TK

"A 20 million check?"

"What happened? Chu Ling didn't accompany General Manager Wang, did she?"

"Could it be that General Manager Wang is quick in this and ended it in a short time?"

Chu Zhe released Lin Wenjing and went straight to Chu Ling. He rubbed his hands together and exclaimed excitedly, "Chu Ling, you managed to borrow 20 million? That's awesome! Chu Ling, can I have a look at the check? I've never seen a 20 million check for my whole life."

Chapter 33 The Check Was Real

As he was saying this, he reached out his hands to snatch the check from Chu Ling's hand.

Chu Ling slapped his hand off and warned coldly, "You'd better behave yourself!"

Chu Zhe pouted his lips in great displeasure and muttered softly, "Geez, what's so great about that?"

At this moment, Chu Hao approached her with a groveling smile on his face as well. "Chu Ling, is this really a 20 million check? You're so awesome!"

Chu Ling retorted in a poker face, "Didn't you chide me as an ungrateful person who wouldn't reward the Chu family just now? You criticized me as if I am totally worthless, and couldn't wait to expel me from the Chu family. Why aren't you scolding me now?"

The corner of Chu Hao's lips twitched as he flew into a rage out of humiliation. However, he did not dare to show it, and merely put on an awkward smile, looking very hilarious. "I'm just joking with you. You are my cousin and we grew up together since young. Even if you didn't manage to borrow 20 million, I wouldn't blame you, would I?"

Chapter 33 The Check Was Real

Chu Ling sneered and replied, "Really? That's great then because I lied to you all just now. I offended General Manager Wang and failed to borrow 20 million."

Chu Hao's expression changed instantly, but just when he was about to explode, he noticed the sneer on Chu Ling's face. He was not foolish, and he immediately figured out that Chu Ling was just trying to fool him. What an insatiable b*tch! he chided internally.

Although Chu Hao and Chu Ling were cousins, they were not on good terms. Since young, Chu Ling was often bullied by Chu Hao. After Lin Wenjing married in, the one who opposed Lin Wenjing the most among the whole Chu family was none other than Chu Hao.

At this moment, Chu Guodong walked toward her and displayed a benign smile as he said to Chu Ling, "Chu Ling, I've always put my highest hope in you ever since you were young. As expected, you didn't let me down and actually borrowed the 20 million. Great job! Come, let me see the check."

Chu Ling moved her lips, trying to say something, but in the end, she remained silent and handed the check to Chu Guodong.

Everyone gathered around to have a look at the

Chapter 33 The Check Was Real

20 million check, curious about how it looked.

Chu Guodong was overwhelmed with emotions too. He carefully flattened out the check and indeed saw a 20 million figure written on it!

At once, everyone held their breath, and their eyes beamed with greed. 20 million was a huge sum of money which could grant all of them the life of luxury!

“Quick! Call the bank to check whether this check is valid!” Chu Guodong’s hands trembled in great excitement while he instructed Chu Hao to call the bank for inquiry.

Chu Hao’s face was also flushed with excitement. He immediately took out his phone and called, “Hello, I would like to check which bank supports my check withdrawal. The serial number is...”

Chu Hao put the phone on speaker. Everyone went quiet and was on all ears. Soon, they heard the bank customer service’s sweet voice. “Hello, your check is valid. You may withdraw the money from any of the local banks.”

Gasp!

They inhaled a mouthful of cold air, and everyone was overwhelmed with excitement.

Chapter 33 The Check Was Real

Chu Guodong kept the check safely with him, afraid that he might accidentally tear it and make it invalid for withdrawal.

The Chu family was extremely poor right now. For them, this 20 million was not just a large sum of money, but the life-saving straw of the Chu family. With this 20 million, they could reconnect the broken funding chain of the Chu family, and the company could operate normally again.

Meanwhile Lin Wenjing sneered contemptuously when he saw their faces. What a bunch of ignorant people. Just a mere 20 million could make them excited to this extent. I bet they'd faint if they ever laid eyes on 50 billion.

"Chu Ling, how did you manage to borrow this 20 million? Didn't General Manager Wang want you to accompany him for three days?"

"Exactly, Chu Ling. How did this happen?"

Everyone expressed their doubts. Even Liu Qiaozhen and Chu Zhenyao were curious.

Chu Ling answered with a blank face, "I didn't accompany General Manager Wang."

"What?!"

Chapter 33 The Check Was Real

“How...”

They were greatly astonished. Bombarding Chu Ling with questions, they were afraid that she might have offended General Manager Wang.

Then, Chu Ling told them what happened tonight. Of course, she concealed some of the details, including how the chairman of Purple Jade Studios was wearing a clown mask, that she hugged that chairman on her own will, and that she was attracted to him.

Chu Guodong and the rest were stunned after hearing that. They found it hard to comprehend the reason why the chairman of Purple Jade Studios lent Chu Ling 20 million for no reason instead of taking advantage of Chu Ling. What was he thinking? Was it possible that there was someone in this world who could resist the temptation?

They looked at each other, and none of them believed her story. Although they did not say it out loud, they thought that Chu Ling must have felt ashamed, so she lied and said that the chairman of Purple Jade Studios did not touch her despite having lost her virginity to him! Besides, Lin Wenjing was still here. Even though Lin Wenjing was worthless, he was still Chu Ling's husband, so it was normal that Chu Ling felt ashamed.

Chapter 33 The Check Was Real

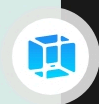

“Then where is the IOU? Is it written as interest-free for three years?” Chu Hao thought of this point and asked anxiously.

Chu Ling replied, “There’s no IOU.”

Upon hearing this, they were even more convinced that Chu Ling must have slept with the chairman of Purple Jade Studios. In addition, she must have served him well, and that was why he did not even issue her an IOU.

Looking at their expression, Chu Ling could tell what they were thinking. Even so, she had no intention of explaining herself, as no amount of explanation could have convinced them otherwise. Besides, it did not bother her as long as she knew that she remained chaste.

She could not help but glance at Lin Wenjing who was standing in the corner. When she saw no sign of sadness, or anger, or guilt on Lin Wenjing's face, and that he even had the mood to smile, she felt annoyed. How could there be such a coward and useless man? How could he not even give a response when his own wife was tainted by another man?

Chapter 34 Qin Nan's Initiative

Chu Guodong and the rest left blissfully with the 20 million check.

Lin Wenjing approached Chu Ling and gratefully said, "Chu Ling, thank you for what you did just now."

Chu Ling's expression remained cold, and when she noticed Lin Wenjing looking at her, she frowned in disgust and briskly replied, "Alright."

Just as she was getting ready to enter the room, Lin Wenjing called her from behind, "Chu Ling."

"What now?" Chu Ling looked back in annoyance.

A life upside down TK

Lin Wenjing stared at her and said, "They don't believe you, but I believe that you remain chaste."

Chu Ling was stunned for a second as she felt touched. "Why did you believe me?" she asked. "After all, I entered his office and there were only two of us alone in the room."

Lin Wenjing was at a loss for words, not knowing how to reply. After all, Chu Ling went to General Manager Wang's office all dolled up, and there were only two of them in the room. Plus, General Manager Wang agreed to lend her

Chapter 34 Qin Nan's Initiative

20 million with the term of servicing him for three days. Who on earth would believe her when she managed to borrow 20 million, yet denied that she lost her virginity?

But he just happened to be the Chairman of Purple Jade Studios, and he well very knew that he did not touch Chu Ling.

However, he could not reveal that no matter what.

When Chu Ling saw that he could not reply, her sentiment vanished completely, and she became cold again. Just then, Liu Qiaozhen returned from sending Chu Guodong and the others off, and she mocked, "It's just bullshit. He just said that to cover his embarrassment and to satisfy his petty dignity."

Upon hearing that, Chu Ling was convinced by her words. Even if she had really slept with the Chairman of Purple Jade Studios, what could Lin Wenjing do? Could he fight with the Chairman? He did not have such ability, nor the guts! He just said that to cover his humiliation, so that he could continue to stay in the Chu family as a honey man.

Lin Wenjing explained anxiously, "Chu Ling, you've misunderstood me. I truly do believe in you!"

Chapter 34 Qin Nan's Initiative

Chu Ling waved her hand and replied nonchalantly, "Alright, I got it. I'll go back to the room to take my shower now. You can only enter the room at eleven."

After that, she did not even give Lin Wenjing a chance to speak and went into the room with a sullen face, before locking the door from inside.

Lin Wenjing let out a sigh. It seemed he still had a long way to go if he wished to obtain Chu Ling's approval.

The next day, Chu Ling got up early and went to the company for a meeting. She did not allow Lin Wenjing to follow her, because she felt that he would only be an eyesore if he went. But that just made things easier for Lin Wenjing because he could go to Purple Jade Studios to work.

He had just taken over Purple Jade Studios, so there were loads of projects which he needed to run through and approve. Besides, Purple Jade Studios' profit had fallen into a negative growth recently, so he must do something to recover its profit to a positive growth.

Being the business prodigy that he was, Lin Wenjing was not worried about that. He had absolute faith that he would manage Purple Jade Studios perfectly and make it a studio

Chapter 34 Qin Nan's Initiative

magnate in the country if he was given some time.

This time, he did not ride an electric motorcycle to Purple Jade Studios. After all, he was now the chairman of a company that had a market value of two billion, and it would be inappropriate if he rode an electric motorcycle to work. Therefore, he took a taxi there. When he had the time, he would purchase a luxury car so that it would suit his status more.

“Let's follow this arrangement for now. Dismiss!”

After Lin Wenjing stood up and left the meeting hall, only then did the staff dare to relax and start the discussion. It could not be helped because Lin Wenjing gave them an insurmountable pressure. The more they came into contact with him, the more they felt that Lin Wenjing was an enigma. His aura, ability and eloquence were all beyond his age.

Undeniably, he was far more impressive than the previous Chairman!

Their faith for Purple Jade Studios' future grew stronger, and they regained their long-gone enthusiasm toward their job.

All of them came to realize that under the new

Chapter 34 Qin Nan's Initiative

Chairman's lead, Purple Jade Studios would certainly soar to a new peak!

When Lin Wenjing returned to his office, he massaged his temples and relaxed. Last night, he did not have a good sleep because he had to sleep pitifully on the ice-cold floor, which resulted in insomnia.

At the moment, he was sleepy. After a brief nap, he called his assistant to bring him a cup of coffee to refresh himself.

A short moment later, there was a knock on the door, followed by a sweet voice from the outside. "Chairman, your coffee is ready."

A life upside down TK

"Come in," Lin Wenjing commanded nonchalantly while browsing some information.

Let's rewind the time to two hours earlier...

Qin Nan arrived at Purple Jade Studios extremely early today. It was the last day of recruitment, so she must seize this opportunity.

Ever since she found out that Lin Wenjing was the Chairman of Purple Jade Studios, her heart had been constantly in excitement, and there was not a moment when it calmed down. After she returned home, she immediately dashed to search for Lin Wenjing's background, but it was

Chapter 34 Qin Nan's Initiative

fruitless. She also investigated Purple Jade Studios and discovered that the original Chairman of Purple Jade Studios was a person with the surname Zhang. But on the day she met Lin Wenjing, Purple Jade Studios was suddenly transferred to a mysterious person who purchased it with a huge amount of money—2.5 billion!

And this mysterious person was Lin Wenjing.

She had no idea how Lin Wenjing managed to come up with this huge sum of money, and why someone so wealthy like him was willing to be the live-in son-in-law of the Chu family.

But these were not important, and she had no intention to delve too deep in them. The only fact she needed to know and held firmly to was that Lin Wejing was a wealthy person, an extremely wealthy tycoon!

It was clear that this was not an act, but a hard, cold, beautiful fact. Therefore, she immediately decided that she must hook up with Lin Wenjing regardless of the means.

Finding a fortune in this society nowadays was too challenging. Many women who had better qualifications than her were even willing to abandon their dignity and bootlick those disgusting middle-aged men in order to satisfy

their vanity, which was utterly revolting. Now that she met Lin Wenjing who was young and had a hot figure, she would certainly not miss any opportunity to get herself this kind of rich husband.

Therefore, she came to Purple Jade Studios very early for the recruitment.

She had prepared for this moment for a long time. With her qualifications, she had faith that she would definitely be recruited.

As it turned out, her supposition was correct. She was successfully recruited and became a member of Purple Jade Studios. All that was left to do was approaching Lin Wenjing!

According to her plan, this should have been a long process, and it was not to be hurried. However, she had great luck because a chance to serve coffee for the Chairman was granted to her right after she was being recruited. This was just great!

For this chance, she purposely fixed her makeup to make herself look sexier and prettier, and she even deliberately unbuttoned two of her collar buttons.

With this, she was sure that Lin Wenjing would be allured by her!

Chapter 34 Qin Nan's Initiative

As soon as she entered the office, she was astounded by its luxurious and grand interior; this room was filled with the scent of money! In front of Chu Ling, she had always bragged of herself as a daughter of a wealthy family and that her family owned a company. However, it was incomparable with Purple Jade Studios. Their difference was as great as that between a countryside's latrine and a palace.

She finally saw Lin Wenjing, who was sitting on the executive chair while browsing information, in full focus. Right now, he looked very handsome in a luxurious suit with his stylish hairstyle. His appearance was of a typical successful bachelor, causing Qin Nan's heart to flutter and her eyes to be glued to Lin Wenjing. Why hadn't she realized that Lin Wenjing was this handsome in the past? Oh Lord, she must be blind all this while!

She carried the cup of coffee and walked toward Lin Wenjing in an alluring gait while speaking with an affectedly sweet voice, "Chairman, here is your coffee."

Lin Wenjing did not even lift his head as he replied in an indifferent tone, "Alright. You may leave."

This was a rare chance where Qin Nan could be alone with Lin Wenjing, so naturally, she refused

to leave without doing anything. She stood beside Lin Wenjing and deliberately pulled her skirt up inch by inch, trying to seduce him...

Finally, Lin Wenjing noticed that something was wrong and lifted his head. "Didn't I tell you to leave—Qin Nan, it's you?!"

By now, Qin Nan had pulled her skirt high up, looking extremely alluring.

"Wenjing, it's me. We meet again." Qin Nan blinked her eyes, as though she was in delight. With her beautiful face and her lithe figure, she was undeniably stunning. Most men would be unable to resist her temptation.

Lin Wenjing was just as much a man as any, so he was of course captivated by Qin Nan's sudden display of feminine beauty, causing him to be dazed momentarily. Noticing his momentary daze and palpitation from his eyes, Qin Nan's heart was overtaken by ecstasy. At the same time, her confidence in netting Lin Wenjing grew stronger.

She began to feel smug. Which man in this world could resist this kind of temptation? So what if Lin Wenjing already had an extremely attractive wife like Chu Ling back at home? He was still seduced by her anyway.

"Who allowed you to come in?" Lin Wenjing asked, his eyebrows furrowed upon coming back to his senses.

“You wanted to drink coffee, so I brought it in for you.” Qin Nan stuck her dainty tongue out and made a playful gesture. With her beauty, such a gesture would make any man fall head over heels for her.

Lin Wenjing was not foolish, and he naturally knew what Qin Nan was doing—she was trying to seduce him because he was wealthy.

“I’m not asking about that. I’m asking who allowed you to enter Purple Jade Studios,” Lin Wenjing said with a cold face. Qin Nan might appear sweet and adorable now, but he never forgot that she often mocked him in the past.

At his words, Qin Nan’s eyes immediately moistened. She pursed her lips in an extremely grievous look while bending down a little. Swaying her body and tugging Lin Wenjing’s shirt, she pleaded, “Wenjing, I’m sorry for the incident last time, but I was instructed by Li Jianhui. I had nothing to do with it. Can you forgive me? Please...”

She was bent down, and the shirt she wore had two buttons loosened, so Lin Wenjing quickly averted his gaze. Qin Nan was Chu Ling’s classmate, so he would never do anything with Qin Nan. If this was known by Chu Ling, he would be done for!

Yet, it was undeniably satisfying to see Qin Nan's changed attitude. In the past, she had always stood aloof in front of him, not even willing to look at him once, and never failed to mock him every time they met, but now, she was bootlicking him like a b*tch, begging for his forgiveness.

Qin Nan noticed Lin Wenjing's nervousness, and this made her smile wider. It was all going according to her plan, and it seemed like Lin Wenjing was still attracted to her.

Lin Wenjing flipped her hands off and sneered, "Are you still acting? Qin Nan, do you think this is the first time I met you? Have you forgotten how you mocked and humiliated me in the past?"

Slap!

Qin Nan slapped herself on the face. At once, tears rolled down from her eyes while she said in an extremely grieving and remorseful tone, "Wenjing, I know I've scolded and taunted you before. You hate me and think that I am a harsh and vicious person! But I did that because Chu Ling instructed me to. She said that marrying you is the worst decision she made in her whole life, and she has always abhorred you. That's why she told me to show disgust in you so that I can join her in driving you away!"

Chapter 35 What an Actor

Lin Wenjing remained expressionless while looking coldly at her. His eyes were saying, Go on, keep on acting.

Seeing that Lin Wenjing was unmoved, Qin Nan clenched her teeth and slapped herself again. This time, her slap was even stronger, louder, and resounding, but luckily, the office was well soundproofed. Otherwise, the sound of the slap would be clearly heard from the outside.

“Wenjing, it’s all my fault. It has nothing to do with Chu Ling. I know you’ll never forgive me, but that’s alright, it’s my fate and I’ve resigned myself to that!” Qin Nan looked beautiful even as she wept trying to look miserable. Her acting skills were indeed superb. As she gazed affectionately at Lin Wenjing with her eyes full of tenderness, regret, unwillingness and expectance, anyone who saw her would feel pity for her. For a moment, even Lin Wenjing’s heart softened. If he wasn’t well aware of Qin Nan’s character, he would be fooled by her.

Qin Nan had practiced her self-berating act innumerable times beforehand, and her performance had reached the acme of perfection. She could melt any man’s heart and win his forgiveness easily. However, Lin Wenjing was still unmoved, and she began panicking. Could it be that Lin Wenjing was not attracted to her at all?

Chapter 35 What an Actor

Desperate, she clasped Lin Wenjing's hand in hers while saying with teary eyes, "Wenjing, if you are angry, you can hit me. Go ahead and hit me! Even if you kill me, I'll be willing to die in your hands as long as you forgive me."

Lin Wenjing was rendered speechless.

What an actor.

"Enough." Lin Wenjing withdrew his hand and warned coldly. "Stop your poor act and get out now."

Qin Nan was unwilling to do so. She couldn't believe it! She had dressed up most stunningly and sexily today, and all the perverted men she had met on the way here couldn't stop staring at her cleavage. Why was Lin Wenjing still indifferent to her? Could it be that Lin Wenjing was a gay who had no sexual interest in women at all?

Just as she was doubting Lin Wenjing's sexuality, she noticed him gulping secretly. She immediately dismissed her doubts as it was obvious that Lin Wenjing was successfully seduced by her; he was just pretending to be otherwise.

Qin Nan felt relieved. There was nothing to fret about now. As long as Lin Wenjing was a

normal man with a normal sexual orientation, she was confident that she could take Lin Wenjing down.

“Wenjing, did you hate me that much, to the extent of not even giving me a chance?” Tears trickled down Qin Nan’s cheeks. She looked lovely and pitiful in a way that would arouse anyone’s urge to protect her and soothe her sadness.

It was undeniable that although Qin Nan had a disreputable character, she was an absolute goddess. She was pretty, had a fine figure, and a coquettish manner that would fire up any normal man’s sexual desire for her, even if it was a man like Lin Wenjing.

Besides, Qin Nan was skillful in seducing a man through her eyes. Lin Wenjing was afraid that if he allowed her to continue staying here, he would commit a grave mistake, so he glared at Qin Nan and mocked coldly, “Qin Nan, do you think that I have no idea what you’re trying to do? Now that you saw me becoming the Chairman of Purple Jade Studios, and no longer the good-for-nothing live-in husband that you’ve known, you try to seduce me into committing a mistake so that you can enjoy great fortune and power, am I right?”

There was a tinge of embarrassment on Qin

Nan's face when Lin Wenjing exposed her in such a direct manner, but it vanished immediately. She then shouted as though she was unfairly treated, "Wenjing, how can you criticize me with those words? Am I that kind of shameless woman in your heart?! I sincerely love you. If you don't believe me, feel my heartbeat, and you will know how sincere I am!"

With these words, she walked up to Lin Wenjing and grabbed his hands, causing him to jump in shock.

This woman was so shameless! For the sake of ingratiating him, she was even willing to use her charm and body.

Unable to withdraw his hand in time, Lin Wenjing accidentally touched Qin Nan's chest. He pulled back his hand hastily in panic, his heart pounding rapidly.

Qin Nan's eyes revealed her smug feelings. It looked like Lin Wenjing was a rather inexperienced man! He even blushed with just a brief touch on her. This kind of man would be much easier to seduce.

She walked toward Lin Wenjing again. "Wenjing, I didn't hold high hopes that you will forgive me now, but please give me a chance and let me stay in Purple Jade Studios. Please? I swear

that I won't tell Chu Ling that you are the Chairman of Purple Jade Studios."

Lin Wenjing's face froze at once, and he glared at her. "Are you threatening me?"

As Lin Wenjing spoke, his massive aura caused Qin Nan to shiver at once and her knees went weak. Frantically, she shook her head and denied. "No, I didn't! Absolutely not!"

Lin Wenjing walked toward her and lifted her chin while staring firmly at her. "If you dare to threaten me again, I will give you hell to the point where you no longer feel like living."

Qin Nan's face went A life upside down TK ghastly pale as she trembled in fear.
